	Pipeline Corporation.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Pipeline Corporation for approval of a second amendment to a service agreement for the provision of resale firm natural gas service and transportation by SCPC to Clinton-Newberry Natural Gas Authority. The amendment to the existing service agreement reduces the charge to Clinton-Newberry Natural Gas Authority for authorized overruns under such terms as provided for in the agreement.

We have examined the terms of the amendment to the service agreement and believe that they are fair and reasonable. Accordingly, the amendment is approved.
